PENNANTS

If you would like to play **pennants** for our club next year please see the marshal at golf on Friday and add your name to the list.

We would like to enter a **gold team** (GA handicaps - 0 to 22.0), a **silver team** (GA handicaps - 17.0 to 30.0) and possibly a **bronze team** (GA handicaps - 25.0 to 54.0). There will be 5 team players at each of the gold and silver rounds and 3 players in the bronze team each round. We would require at least 7 to 8 names for the gold and silver teams and 5 to 6 players for the bronze team, so your commitment would not be for every round. The competition is played on Mondays and starts in late February and continues through to Mid May.

This is your opportunity to represent your club and play at other clubs in the district, from Sussex Inlet in the south to Russell Vale in the north. Team members will be provided with a team shirt, a playing ball for each round and petrol money is allocated for the team travel. There is no cost for the pennant match that you play at each of the courses. The only cost to you is cart hire, if you use a cart, and this is provided at member's prices at each of the courses used.

Please consider playing for your club. It would be nice to add some new faces to our teams.
