What do you like most about our club: The fantastic and diverse women I have had the pleasure of knowing through golf.

Tell us something we don't know about you.

I've been playing golf for 30 years. I had a hole in one at Shellharbour GC I encountered quite a lot of snakes where I used to live. One day I was carrying a basket of washing down the back steps and when I got to the bottom, I had a feeling that something wasn't right...looked down and a 6ft red belly was smelling my leg with his tongue. This snake had hatched out of our mulch pile and had become quite used to being around us. I decided I had had enough of him, went and got the spade, took a big chop at the snake and missed. He took off one way and I took off the other way and I didn't see him again. I think he got the message that he wasn't a pet.

The Unofficial Laws of Golf

Law 1. Your best round of golf will be followed almost immediately by your worst round ever. The probability of the latter increases with the number of people you tell about the former.

Law 2. Brand new golf balls are water-magnetic. Although not lab proven, the greater the expense of the ball, the greater its attraction to water.

Law 3. No matter what causes a golfer to 'muff' a shot, all playing partners must solemnly chant "you looked up", or invoke the wrath of the golfing universe.

Law 4. All 3 woods are demon-possessed.

Law 5. Sand is alive. It is determined to attract you, then does its best to work against you.

Law 6. Golf carts always breakdown at the furthest point of the course.

Law 7. Golf balls from the same sleeve tend to follow one another, particularly out of bounds or into water. (see Law 2.)

Law 8. Every par 3 hole in the world has a secret desire to humiliate golfers. The shorter its length, the greater its desire.

Law 9. The last three holes of a round will automatically adjust your score to what it really should be.

Law 10. Golf should be 'given up' at least once per month.

From the Captain's Desk

Hi ladies,

Our golfing year is quickly coming towards its close. The point score, putting, eclectic etc. has been finalised and **break-up day** is due to be played on **17th December**; Ambrose followed by lunch in the BBQ area next to the pro shop (back to normal). Our **Annual Presentation** will be going ahead at the club on **Monday, December 6th**. As the state is "opening up" on the 1st December, with most restrictions being lifted, we have permission from the board to hold our presentation and luncheon in the upstairs function room. I do hope that this will set us on the path to normality for next year.

We have been getting great numbers lately for our Friday competitions and hopefully, if the numbers remain well above 50 each week, the Committee will be approaching the Board for permission to return to a 2 tee start.

Happy golfing. Vicki Critcher.
