Meet your SGBWGC Liaison Officer – Lori Robertson

Name: Lorraine Mary Robertson (Lori)

We know you're not a regular golfer, but tell us about your golfing history: When I lived in Parkes in the 80s-90s, I had my first go at playing golf. It was hilarious! I was playing with three women friends, who all cracked up after we had finished the FIRST HOLE. When they asked me my score for that hole I told them 19. They said "No Loz your score is 33!!" I only HIT the ball 19 times, BUT, I didn't know you had to count the damn air swings as well! (I got a bit better over the years, thank goodness!)

How long did you work at St Georges Basin as the face we all knew at the front desk:

I actually worked at the club for almost 27 years. In 1998 I became a supervisor. Then after having a bad fall at work, about 16 years ago, my body couldn't cope with hours on my feet due to the injuries. So the bosses placed me at the front desk, where I stayed until retiring on 4 th July 2023. Working out front of 'House' were the most enjoyable years of my working life. I still miss the work and greeting the beautiful people who walk through our doors every day.

What made you decide to become a Director: I thought that my 52+ years' experience in the Hospitality Trade would not only be a tremendous aide to our club, but also to our members, staff, Board and Management. I truly hope to make a good difference whilst ever I'm on the Board. I am liking most aspects of my role as a Director, but I am really liking being a liaison officer to you lady golfers. I have found it to be quite interesting and rewarding. I am learning something new each day.

We look forward to having you join us for a game on Fridays: I'm hoping that I can go out with you all one day, but not until my new knee is ok to do so. I hope to later in the year but not sure when just yet.

Now tell us anything else you'd like us to know: I'll be 71 on May 12th. I have five kids; 20 grandchildren; seven great grandchildren, with the eighth one due in July. Christmas is going to be a "hoot", if we ever ALL get together at once!
Thanks for joining us Lori – we hope it's a long association.

MORE PUNS...sorry.

A polar bear walks into a bar and says to the bartender "I'll have a rum and coke."

The bartender asks, "What's with the big pause?"
The bear shrugs. "I was born with them."

Why did the scarecrow get an award? He was outstanding in his field.

If a kid won't take a nap, is that "resisting a rest"?

Did you hear about the World War I soldier who survived both pepper spray and mustard gas? He was a seasoned veteran.

Broken pencils are pointless.

I got a job at a bakery, because I knead dough.

Did you hear about the guy who pickpocketed a dwarf? How could anybody stoop so low?

"Doctor, help! I'm shrinking!"
"Take this and you'll be back to normal in a few weeks. Until then, you'll just have to be a little patient."
