- Call through to check each hole, sign card - player and marker.

I would like to start by saying that I am looking forward to golf this year with the help of the committee. We are slowly getting back to normal and hopefully we will not have too many setbacks and by the end of the year we will just about be over COVID 19.

The 2021-2 Program has been finalised to go into the next Program book, and I will hand out the list of major events for 2021 to players at the first game (in case you are planning holidays!!).

Check the Rule

It is permitted for a player to mark another player's ball to save time, provided they seek permission from the ball owner first.

Who is allowed to replace the ball?

Either the player OR the person who marked it is permitted to replace the ball.

14.2b If the player plays a ball that was replaced by someone not allowed to do so, the player gets **one penalty stroke**.

Happening soon: 2 Mondays, probably early March - Joy Reed Trophy v Sussex Inlet - a friendly Match Play event so we need a team of 10 players keen to try out or refresh their Match Play skills.

The WGI Pennant season is scheduled to start on 15/3/21 for Gold and 29/3/21 for Silver. We have a list of prospective names for each team so if you haven't yet indicated your intention to be part of the team, please see myself or Myra.

Birthdays

Happy Big Birthday to Gloria Ardouin - another player to reach the magic milestone!

We are looking forward to being able to share some cake and drinks with you after golf on a future date, Gloria - when COVID rules allow us to. Also to join with the birthday girls (Thelma, Dot and Joan) from last year whose celebrations we have put on hold also!

PRIZE Money.

This year voucher prizes have been increased by \$5 so all are now the same as Monthly Medal vouchers - \$30, \$20, \$15 or if numbers are reduced 3rd place is a ball.

At this stage, Prize money still goes directly onto your Club Card after the game. Balls can be collected from a committee member.

Season's Events

Our Season's events start on Feb 5th - the first Medal round. We keep a record of your Stroke rounds for various prizes, Putting tally for the Putting prize, Gobblers, and weekly Point Score - 1 pt for playing, 2 for Runner up and 3 for Winner. The computer records your Eclectic score for all singles comps.

PLEASE pay Treasurer Julie Kemp your \$10 before Feb 5th.
